Instructions:

Create card background by painting watercolors along right-hand side of watercolor paper. Once dry, apply ink using an ink blending tool and a foam pad. Add paint splatters and allow to dry. Adhere to notecard using dimensional adhesive.

Cut tag (51-007 Tagged) from watercolor paper. Paint background with watercolors. Once dry, ink around outer portion of tag using an ink blending tool and foam pad. Stamp music notes (30-238 Footnotes) randomly onto background. Using a fingertip, swipe gesso around edge of tag.

Die cut poinsettia pieces (51-153 Bursts of Red) two times. Paint with watercolors and layer together using dimensional adhesive. Adhere to tag. Add ribbon and twine to tag.

Stamp sentiment (30-307 Holiday Snippets) onto white cardstock with black ink. Ink edges and adhere to tag. Outline with black marker. Add tag to card using dimensional adhesive. Embellish with pearls.
