Instructions: Dry emboss Dotlets on a 2 ½ x 5 ¼-inch piece of white cardstock by using a light box and stylus. Attach the piece with 3D Foam Squares to a 2 ¾ x 5 ½-inch top-fold card. Stamp the banner from Joy Filled twice on Coral Reef Cardstock with VersaMark WaterMark Ink and heat emboss with white powder. Stamp the sentiment inside one of the banners with the same ink and heat emboss with white powder. Adhere the two banners together to create extra dimension with E-Z Dots Permanent Adhesive. Die cut the postage frame from Picture This twice from Spring Meadow cardstock. Stamp one of the die cuts with Oh Christmas Tree in Tea Leaves VersaMagic. Adhere the two die cuts together with E-Z Dots Permanent Adhesive to create extra dimension. Place a small piece of the Adhesive Sheet to a white piece of cardstock and die cut with Crystal Trio. Remove the protective backing from the Adhesive Sheet on the die cut and apply pink crushed velvet flock to the exposed adhesive. Spray with Frost Sheer Shimmer Spritz. Accent the snowflake with a metal gem. Using 3D Foam Squares, attach the finished elements to the front of the prepared card as shown.
