Cut a top-fold card to measure 2 ¾ x 4 ½. Set aside. Cut a 2 ¼ x 3 ½ inch piece of white cardstock and sponge Pear Tart Memento Luxe ink lightly across the surface. Stencil "Patina" across the blended ink using the same color. Ink the edges with the Delicata Golden Glitz ink pad. Stamp the sentiment (Snippets) in black ink. Center and mat with a 2 x 3 5/8 piece of "Coco Style" designer paper. Attach to the front of the prepared card base with dimensional foam tape. Die cut "Flicker & Flutter" from white cardstock, paint with white gesso and let dry. Paint with Dr. Ph. Martin's watercolors, let dry and then add a light coat of Brilliant Gold watercolor. When dry, apply gel medium. Spray with acrylic coating. Attach to the front of the card as shown and embellish with a silver pearl.
