Instructions:

Cut a side-fold card to measure 2 7/8 x 3 7/8 and round the corners. Set aside. Die cut "Polaroid" twice: once from white cardstock and once from Painted Blooms designer paper. Glue the designer paper die cut on top of the plain white cardstock die cut. Lightly mark the "window" on the front of the card and stamp the sentiment from "A Sweet Day" in black VersaFine. Attach the Polaroid frame to the front of the card with dimensional foam tape. Stamp "Sitting Pretty" several times on white cardstock in black VersaFine and heat emboss with clear powder. Color the images with Copics. Trim the elements and layer as desired to create a dimensional embellishment. Attach to the left side of the card with dimensional foam tape.
