Instructions:

Create a 3 ½ x 5-inch top fold card. Set aside. Die cut "Feline" 4 times from white cardstock, 1 time from Fern Green and 1 time from Blue Lagoon. Building from the back forward and using glue between all layers, use one white die cut leaving the bottom portion in tact and inserting the Blue Lagoon portion on the top. On top of this glue another white die cut first removing the top portion. Repeat again. For the top layer, remove the top and bottom white portions and substitute the bottom green portion. Attach to the front of the card and stamp the sentiment from "Snippets" in black VersaFine. Add a pink gem to the second cat's neck.
