Instructions:

Die cut "Tagged" from white cardstock and cover with two patterns of paper from Holiday Trimmings. Stamp the greeting (Holiday Snippets) in Onyx Black VersaFine on white cardstock and mat with red cardstock. Adhere to the prepared tag with dimensional foam. Accent with a red enamel dot. Repeat this process to create an identical tag.

Create a 2 ½ x 4-inch card base from white cardstock and die cut a window in the front flap using Framed Flowers. Cut a 2 3/8 x 3 7/8-inch piece of white cardstock and die cut a matching "window" in the center. Stamp snowflakes (Soft Grace) in VersaMark Watermark ink around the edges and heat emboss with white powder.

Glue the prepared tags back to back with a piece of fishing line between them. Position the tags in the card base window and tape the fishing line at the top and bottom. Trim any excess line. Attached the stamped window frame on top of the card base using dimensional foam.
