

Penny Black PROJECT GUIDE

Designer Name: Heather Telford

Penny Black Products Used: 40-503 sweetheart, 30-326 happy hearts

Additional Products: versamark ink, platinum embossing powder, black cardstock, finetec pearlescent colors

Instructions:

Stamp 'sweetheart' on black cardstock in versamark.

Stamp sentiment from 'happy hearts' in versamark.

Heat emboss stamping with platinum embossing powder.

Using a small watercolor brush, mix a little water into finetec pearlescent watercolors and paint inside the flowers, hearts and leaves.

To create a mat that matches the flowers, cut a black cardstock panel 1/4" wider and taller than original panel and paint one of the pearlescent colors around the edge. Dry with heat tool.

Attach floral panel to painted mat then to a black card base.
