

Penny Black PROJECT GUIDE

Designer Name: Micheline "Mimi" Jourdain

Penny Black Products Used: 30-467 Grateful Heart, 40-598 Becoming

Additional Products: Fabriano 100% Cotton Watercolor Paper, MISTI Stamp Positioning Tool, Distress Inks (Blueprint Sketch, Forest Moss), Watercolor Paintbrush Number 8, Painter's Tape, Frisket

Instructions:

Use painter's tape or masking tape to mask off a small border around watercolor paper panel.

Splatter panel with frisket and allow to dry.

Use MISTI stamp positioning tool to ink and repeatedly stamp flower onto watercolor paper.

With a wet paintbrush, dilute the stamping colors and add additional shading as needed.

Let dry.

Using the same colors as used to ink the flower, stems, and leaves, mix them together and paint background using "wet on wet" technique (wet cardstock by painting water around the floral stamping and then add diluted ink to the background).

Let dry.

Splatter ink droplets onto background.

Remove frisket and masked border.
