

# Penny Black PROJECT GUIDE

**Designer Name:** Micheline "Mimi" Jourdain

**Penny Black Products Used:** 30-470 Just Believe, 30-462 Flourish Borders, 40-592 Lilacs

**Additional Products:** Fabriano 100% Cotton Watercolor Paper, MISTI Stamp Positioning Tool, Distress Inks (Seedless Preserves, Forest Moss), Watercolor Paintbrush Number 8, VersaFine Ink (Onyx Black)

## Instructions:

Use MISTI stamp positioning tool to ink and repeatedly stamp flower onto watercolor paper.

With a wet paintbrush, dilute the stamping colors and add additional shading as needed.

Let dry.

Using the same colors as used to ink the flower, stems, and leaves, mix them together and paint background using "wet on wet" technique (wet cardstock by painting water around the floral stamping and then add diluted ink to the background).

Let dry.

Splatter ink droplets onto background.

Stamp flourishes with Distress Inks.

Stamp sentiment with Versafine Ink.
