Stamping with Scooter

Dogs are not our whole lives, but they make our lives whole.

PENNY BLACK®

Meet Scooter.

See that smile? Yes, Scooter can smile! And why wouldn't she? While covered in fur and frequently found to be wagging her tail, she is more person than pup. Rescued and loved beyond measure, Scooter has captured our hearts and is now ready to capture your creativity!

When she isn't cuddling her pet parents and Penny Black family, she can be found charming her neighbors and dreaming of, well, what all dogs dream of...

Our dear Scooter shared her unconditional love with us for nearly 20 years. And while she is gone from our lives, she is never gone from our hearts. We are so honored that her playful paws, known to joyfully spring to greet a new friend at the door with a toy in her mouth, will continue to live on in our Stamping with Scooter stamps and the cards YOU create and share with love.

Our pets are there for us, rain or shine, and, together with you, Penny Black wants to be there for our furry friends.

In memory of Scooter, a portion of the proceeds of sales from our Stamping with Scooter stamps will be donated to rescue centers with the goal of helping animals find loving homes.

And who better to illustrate Scooter's adventures, personality, and cute quirks? Her Pet Mama, Shannon, a wonderful member of our Penny Black family.
